## KIND WORDS:

We used KDS calligraphy to create names on vellum paper for our wedding so that we could attach them to printed thank you notes.

The names were beautifully written and posted out promptly. We would highly recommend and would definitely use again. Thank you!

NICK & JAKE – APRIL 2023

We used KDS Calligraphy for all our wedding stationery and we were over the moon with it all...everything was made elegantly and suited our venue perfectly. We would highly recommend Kayleigh and would use again without a doubt ❤️

## FAQ;

**Q: What are the payment terms?**

**A:** I will ask for a 25% deposit of your total quote amount at the time of booking, the remaining will then be due 6 weeks prior to your wedding date.

For certain items, such as personalised gifts or after the wedding day stationery, full payment will be required at the time of booking.

**Q: When is a good time to book my stationery and signs?**

**A:** It's never too early! I would just ask for the 25% deposit of your quote at the time to secure your date and then we can discuss finer details nearer the time!

**Q: I'd like to add something else on to my order! Can I do that?**

**A:** The short answer is yes! It would depend on the date of your wedding and what it is you would like to add, but I'd say 99% of the time it would be doable!

**Q: What materials can you write on?**

**A:** I love love love trying out new materials to write on! I have written on slate, agate, glass, leaves, stone and standard card to name a few. If there is something you had in mind, please get in touch!

**Q: Do you do samples?**

**A:** For stationery options such as save the dates, invites and place names yes samples can be arranged.

**Q: What are the delivery costs?**

**A:** Delivery costs will be dependant on the items ordered and will be calculated at the time of the final balance being due. I will be able to give you a rough estimation at the time of your initial quote if needed.
