# HELLO!

HI, I'm Kayleigh, a modern calligrapher and hand letterer. I am so glad you are interested in my services to make your wedding sign & stationery dreams come true!

Having worked within the wedding industry for over 10 years as a Wedding Co-ordinator, I also have the knowledge and experience to help guide you through the planning processes such as when to send out your save the dates, invites and what signs work well at your chosen venue. I also love to work closely with your other suppliers such as your florist and/or stylist to tie everything together.

I am constantly inspired by nature and natural elements within my work and love to incorporate this into your wedding signs and stationery. If there's a material that you think you might like personalised for your big day or as a keepsake - I'm the woman for you!

# FAQ'S

Q: What are the payment terms?

A: I will ask for a 50% deposit of your total quote amount at the time of booking, the remaining will then be due 6 weeks prior to your wedding date.

For certain items, such as personalised gifts or after the wedding day stationery, full payment will be required at the time of booking.

Q: When is a good time to book my stationery and signs?

A: It's never too early! I would just ask for the 50% deposit of your quote at the time to secure your date and then we can discuss finer details nearer the time!

Q: I'd like to add something else on to my order! Can I do that?

A: The short answer is yes! It would depend on the date of your wedding and what it is you would like to add, but id say 99% of the time it would be doable!

Q: What materials can you write on?

A: I love love love trying out new materials to write on! I have written on slate, agate, glass, leaves, stone and standard card to name a few. If there is something you had in mind, please get in touch!

Q. Where are you based?

A. I am based in Nottingham, Midlands but post nationwide. For local venues collection is available, or delivery of your stationery ,and signage is included within a 15 mile radius.

Q: What are the delivery costs?

A. Delivery costs are included in my wedding packages. For individual 'build your own' items the cost will be dependant on the items ordered and will be calculated at the time of the final balance being due. I will be able to give you a rough estimation at the time of your initial quote if needed.
